## SPECIAL EVENT CODES

(G) Green Point

(P) Prize

(R) Red Point

(Q) Qualification event

(CG) Championship green points

(G) Gold Point

This year **President's Pairs** event will be held over two weeks. To be eligible to win you must play with the same partner (no substitutes) both sessions.

The Wednesday **Teams of Three** event is for three regular Wednesday players joined by a captain who is an experienced bridge player from the club.

The Saturday Grand National Open Teams (**GNOT**) event is a gold point qualifying event for the Metro finals.

**Eclectic Singles** - Over three weeks, you must play with at least two different partners. At the end of the three week event your best two scores are taken into account.

### Eligibility

To receive a prize in any Club event, the Team or Partnership must all be members of Parramatta Bridge Club, also, playing with the Director disqualifies you from receiving a prize in any such event. In the case of events spread over two or more weeks, you must be a member before the commencement of the first session. All special events are run under NSWBA regulations. Directors may not play in any special events except to make up an eligible pair, provided efforts have been made to find a substitute. If the Director has to play in a special event, the pair or team will be ineligible for a prize but will receive masterpoints.
